## The London Salon

If you missed our potluck dinner meeting to view the slides of this  
year's **Annual Exhibition of the London Salon of Photography** you  
should be kicking yourself. The dinner was not only delicious, but also  
elegant as Pat Brown, extending herself as usual, set the tables with  
china, silverware and glasses that she had brought for everyone. The  
slide show was brought to us and introduced by Ines Roberts who is a  
member of the London Salon. The general consensus of opinion  
seemed to be that this was the best London Salon show ever. There  
are only 35 invited members world wide, but anyone can become a  
Friend of the London Salon for an annual fee of \$14. Go to:

[www.londondonsalon.org/friends.htm](http://www.londondonsalon.org/friends.htm)

if you are interested in becoming a Friend or to find out more about  
this terrific organization.

I would like to see the assigned category extended to the B&W print competition as an encouragement to produce B&W prints. I feel there is a need to increase the motivation of our photographers to produce B&W, either through the wet or digital darkroom.
